

STUDY ABROAD MARINE ECOLOGY & CONSERVATION IN MOZAMBIQUE

WINTER SESSION 2018 (DEC 27 - JAN 13)

Program highlights:

- Explore connections between natural marine environment and human communities
- Study at the Marine Research Centre in Tofo Mozambique and earn 4 credits
- Scuba dive in Mozambique's tropical reefs and analyze data on systems health while becoming PADI certified or earning PADI open water or advanced dive certification
- Work alongside Professors Kathy Alexander and Claire Sanderson in the Department of Fish and Wildlife Conservation and Dr. Mark Vandewalle, CEO of CARACAL, a conservation and community outreach group in Botswana

Information sessions:

Wednesday, September 13 from 10AM-4PM at the Global Education Fall Fair, Drillfield
Tuesday, September 19 from 10AM-11AM, Newman Library - Multipurpose Room
